Calling all Artists, Amateurs, and Finger Painters!

Join us for the First Ever Tuscany Community Arts Day!
Sunday June 12, 2011
11:00 am- 2:00 pm Sobey's parking lot

The Tuscany Community Association, Sobey's and Benajamin Moore Paints-Crowfoot are working together to create a Tuscany Community Art Gallery along the construction fence of the Tuscany Middle School.

Now that our community is very close to build out, the TCA is exploring different opportunities to incorporate community based art in various locations throughout our community. Art not only serves as beautification, but it will make Tuscany unique by getting us talking to each other about art and creating a cohesive community. The first place we are starting is the construction fence around the middle school site.

The TCA is working with the Tuscany Elementary and St. Basil's Catholic School to showcase their students art on the fence, and then on June 12, we invite all members of the community to "paint a canvas" for display on the fence for the remainder of the construction project. The TCA will provide cloroplast boards that will serve as the canvas, and Benjamin Moore has provided us with a great deal on paint that we will be using. Sobey's has generously allowed us to use their parking lot and will be on hand with their famous barbecue!

The TCA would also like to acknowledge B2L Construction, the Province of Alberta and the Calgary Board of Education for generously approving this project. For more information, please e-mail the TCA at executiveadmin@tuscanyca.ca.

Get involved—it's not everyday you get your art displayed on an outdoor art gallery!
